The Brewer's Apprentice, Inc. is a "Brew-on-Premises" business, where you can brew all-natural fresh beer. How it works is simple: sign up, pay up, show up and, after a few weeks, bottle up and drink up! Find a recipe from the ~200 formulas in house that stimulates the inner brewmaster in you, or create your own unique hand-crafted beer. Lagers, Pilsners & Dry Beers, Ales & Stouts - so many choices, so little time. After allowing the beer to ferment for two weeks, we'll return to the Brewer's Apprentice and bottle up our brews in manly 22-oz. bottles, create our own custom designed labels, slap em' on, pack up, and head home to show off and drink our best efforts. Hope you can join us on February 9th.
